

FAX MICHIGAN USER AGREEMENT / TERMS AND CONDITIONS

This Agreement is between Fax Michigan and the user ("you" or "customer") of Fax Michigan services ("service"). This Agreement governs all services. By ordering the service, you acknowledge that you have read, understand and agree to the terms of this Agreement, and you represent that you are of legal age to enter into this Agreement and become bound by its terms. Fax Michigan may change the terms of the Agreement from time to time.

1. SERVICE

a. Term

Service is offered on a month-to-month basis (monthly term commitment with automatic renewal). Billing will begin on either the 1st or the 15th of the month following service activation and will continue until cancellation is requested by you. Cancellation will become effective on your next billing date (either the 1st or the 15th of the month following your cancellation request). If you choose to prepay for the services for 12 months at a discounted rate, a 12 month term commitment applies.

b. Proper Use of Service

You agree to use the service only for lawful purposes. Fax Michigan reserves the right to terminate your service for cause immediately and without notice if: 1) you use the service for illegal activities or in a manner which violates any laws, 2) you attempt to hack, disrupt, or misuse the service or network, or 3) you breach any provision of this Agreement. Upon termination of service for cause, you will be responsible for all charges through the end of the current term and will not be entitled to a refund of any prepaid charges.

2. BILLING / PAYMENTS / CREDIT CARD INFORMATION

a. Billing

Service charges are billed in advance. You must give Fax Michigan a valid credit card number when the service is ordered. If the card expires, or your billing address changes, or the card is cancelled and replaced, you must advise Fax Michigan at once via email at: support@faxmichigan.com.

b. Billing Disputes

You must notify Fax Michigan via email within 7 days after receiving your credit card statement if you dispute any Fax Michigan charges on that statement.

c. Payment

Fax Michigan only accepts payments by credit card. Your ordering of the service authorizes Fax Michigan to charge the credit card account number on file for service charges, billed in advance on a recurring basis, until notice of cancellation of service is received. Fax Michigan may terminate your service at any time, in its sole discretion, if any charge to your credit card is declined or in case of any other non-payment of charges. Termination of service for declined card or non-payment leaves you fully liable to Fax Michigan for all charges accrued before termination and for charges incurred by Fax Michigan owing to your non-payment, such as (but not limited to) collection costs.

d. Termination / Discontinuance of Service

Fax Michigan reserves the right to discontinue providing the service, or to terminate your service, at any time in its sole discretion without cause. If Fax Michigan discontinues providing the service, you will only be responsible for charges accrued through the date of termination.

e. Taxes

Any applicable taxes, fees or charges imposed on Fax Michigan as a result of providing the service will be billed to your account. If you are exempt from payment of such taxes, you must provide Fax Michigan with a copy of a government issued certificate attesting to tax-exempt status. Michigan sales tax does not currently apply to the service.

f. Credit Card Information

Although our billing database is designed to securely store all billing information using state of the art network security technology, you are advised that you are using the credit card billing system at your own risk.

3. OWNERSHIP / TRANSFER OF NUMBERS

If you transfer your existing fax number to Fax Michigan, you will retain ownership of your number and will be allowed to transfer it to another carrier upon expiration of your term commitment with proper notice of cancellation. If you cancel service without transferring your fax number to another carrier, you agree and understand that your terminated Fax Michigan fax number may be re-assigned to another user immediately without notice. In addition, you agree that you will not hold Fax Michigan liable for any costs or damages on fax number re-assignment. If your current carrier refuses to release your existing fax number to Fax Michigan, we will give you the option of ordering a new number or you may cancel your order.
